PARALEGAL STUDIES

Certificate

USC ONLINE

ABOUT PROGRAMME

This certificate programme provides you with the legal knowledge and practical skills necessary to become competent, ethical and certified paralegals and professionals.

The target group is comprised of persons interested in working as paralegals, administrative assistants in chambers and legal secretaries across the Caribbean, as well as persons currently employed, or planning to work in fields closely impacted by law and legal regulations. A professional certificate is a great option for learners considering law school.

The certificate consists of 10 courses over 3 semesters. The certification provides 3 concentrations: General, Employment Relations and Land Conveyance.

ENTRY REQUIREMENTS
